TRANSPORTATION AWARENESS, CONSENT AND RELEASE FORM

HIGH SCHOOL ACTIVITIES/ATHLETICS EVENTS

The Cherry Creek School District No. 5 (the "District") provides District transportation for students to and from a great many activities, events, matches and games. However, the district is unable to provide District Transportation in all circumstances and to all events. When District transportation is not available, it is the student's parent's/guardian's responsibility to provide or arrange for their student's transportation to and from the event.

When District transportation is not available and other alternative forms of transportation are utilized, the District cannot and does not assume any responsibility for the safety, training of drivers, condition of vehicles, adequacy for the use or purpose intended, or any other matters related to any non-District transportation.

Therefore, we hereby acknowledge, agree and understand that the District does not insure, endorse, approve or sponsor any form of non-District transportation, whether by parents, students or otherwise, to and from District off-campus activities or events. We further acknowledge it is our responsibility to provide or arrange for our/my child's transportation to District events when District transportation is not available. As such, we consent to our child's use of alternative means of transportation, including private vehicles driven by parents or other student, and, if applicable, consent to our child's use of a vehicle to transport himself/herself and others to off-campus events. We hereby waive, release, discharge and agree to hold harmless and indemnify the District, its agents, employees, insurers and Board of Education, from any claim, cause of action, damage, injury, or demand of any nature, including bodily injury, property damage or death, arising from or sustained during or as a result of my/our child's utilization of or participation in any non-District transportation, whether furnished by us, our students, another student, parent or otherwise.
